BIO

Bert Django is a guitarist, singer and songwriter from Las Vegas, NV, who has been performing for over 20 years. He sees himself as part of the new wave of contemporary blues artists, in the same breath as Jared James Nichols, Gary Clark Jr. and Marcus King.

Bert is known for high-energy, family-friendly shows that mix original music with classic rock covers and timeless oldies. He performs solo with his own sound setup, playing blues, classic rock and gypsy jazz, plus Christmas songs during the holidays. In Las Vegas, he built his name as a guitar for hire, playing behind some great artists.
